COMMENT: Quote only

Quotes are valid for 30 days and are subject to the availability at time of the order. Any revised quote with the same part number, for the same project supersedes and nullifies any prior quote. We accept payments with credit cards (Visa, American Express, Mastercard and Discover) with an additional 3% processing fee.

- **Please review this acknowledgement to ensure your order was entered to your exact specifications and sizing. If there are discrepancies noticed, contact your customer service representative immediately.**
 - **Your signature below is your confirmation that all elements, description, sizes, etc. are correct and all units are ready for production as specified.**
 - **Delays in confirming acknowledgement will result in extended lead time.**
 - **A late charge of 1.5% per month will be charged for past due invoices. Should this matter be turned over for collections, you will be responsible for all collection costs, including a reasonable attorney's fee.**
 - **Any and all revisions, information or cancellation requests for an order MUST be submitted in writing.**
 - **Once an order is confirmed, there is no grace period to make changes or cancel.**
- It is the responsibility of the dealer to verify that the order placed is correct. Prior to confirming, please**

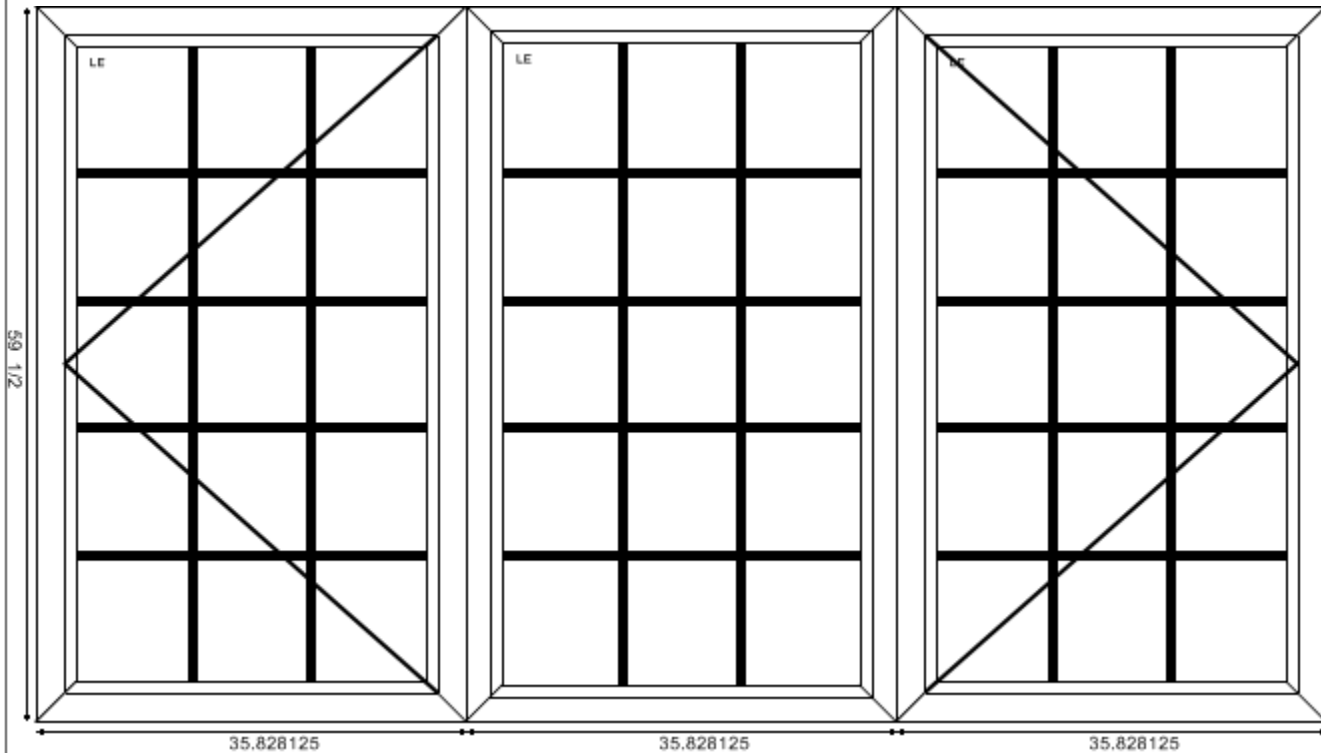

ensure that all information is correct and acceptable to your customers.
